Bid not complying with any of the above requirements will be out rightly rejected.

Technical Evaluation (Second Stage): The technical proposals will be reviewed and assessed for bidders who successfully pass the preliminary evaluation stage. Evaluation of technical proposals from qualified bidders will be conducted according to the designated technical parameters outlined below.

Brief Evaluation Parameter	Maximum marks
Specific Experience of the bidder (Prior experience in conducting assignments of similar nature like Concurrent Evaluation / Impact Assessment / Process Monitoring / Baseline Survey during the last 3 years of 2022-23, 2023-24 and 2024-25 under Central / State Govt. / Autonomous Bodies / National & International organization. A) Prior experience in conducting assignment of similar nature during last 5 years in any sector = 5 Mark (1 Mark for Each Assignment) (Maximum 5 Assignments) B) Prior experience in conducting assignment of similar nature during last 5 years in Agriculture, Social, NRM, Infrastructure Development and Livelihoods Sector = 5 Mark (1 Mark for Each Assignment) (Maximum 5 Assignments)	10
Understanding, Approach & Methodology of the bidder in response to the RFP A) Understanding about the objective and the scope of the proposed assignment = 15 Mark B) Approach and Methodology = 10 Mark C) Staff Deployment Strategy and Work Plan = 5 Mark	20
Key Professionals proposed by the bidder for the assignment	40
Technical Presentation*	30
Grand Total	100

**** Bidders who secure above 50 marks from 70 marks during the evaluation of technical proposal will be called for technical presentation***

During the technical evaluation stage, bidders are required to make a presentation to the Client. This allows the Client to assess each bidder's understanding and readiness for the assignment. Any clarifications needed by the Client will be addressed during this meeting. Qualified bidders will receive the detailed schedule and presentation outline prior to the technical presentation date. Financial proposals from those who meet the technical criteria will be opened either on the same day or the next working day, so bidders should be prepared accordingly. Only bidders whose technical proposal scores above **50** will be eligible for their financial proposal to be opened.

FINANCIAL EVALUATION (3rd Stage): The financial proposals of the technically qualified bidders only shall be opened at this stage in the presence of the bidder's representative who wishes to attend the meeting with a proper authorization letter. The name of the bidder along with the quoted financial price only will be announced during the meeting.

Evaluation Process:

The Quality and Cost Based Selection (QCBS) method will be used. Technical proposals are scored, ranked, and given a 70% weighting; financial proposals receive a 30% weighting. The lowest-priced bid gets a financial score of 100, with others rated proportionally. The highest technical marks receive a score of 100, and others are scaled accordingly. Weighted scores are added, and consultants are ranked by total score: H-1 is highest, followed by H-2, H-3, etc. The top-ranked bidder (H-1) is invited for negotiation and recommended for contract award. If scores are tied, the bidder with the higher technical score is selected as H-1.

Contract Negotiation:

Contract negotiations will be scheduled at a date, time, and location communicated to the selected bidder. Before attending the negotiations, the bidder must confirm the availability of all proposed personnel for the assignment. Representatives authorized to negotiate on behalf of the bidder are required to present written authorization to negotiate and finalize the contract. Negotiations will address both technical and financial aspects, as well as the availability of the proposed professionals.

Award of Contract:

Once contract negotiations are complete, the Client will notify the selected bidder with an offer letter and inform all other bidders of the outcome. The successful bidder must sign the contract within 15 days after completing required formalities. Any changes to the contract terms require a written amendment signed by both parties. The contract is valid for **3 Months** from its effective date and can be extended by mutual agreement. ***Sub-contracting or outsourcing any activities under this RFP is strictly prohibited.***

Conflict of Interest:

Conflict of Interest exists in the event of: (i) conflicting assignments like supervision, implementation, monitoring and evaluation/environmental assessment of the same project by the eligible bidder; (ii) Consultants, agencies or institutions (individuals or organisations) who have a business or family relation with the Client directly or indirectly; and (iii) practices prohibited under the anti-corruption policy of the Government of India and Government of Odisha. The bidders are to be careful so as not to give rise to a situation where there will be any conflict of interest with the Client as this would amount to their disqualification and breach of contract.

Disclosure:

a. Bidders have an obligation to disclose any actual or potential conflict of interest. Failure to do so may lead to disqualification of the bidder or termination of its contract.

b. Bidders must declare whether they are, or have previously been, involved in any proceedings or arrangements affecting their financial status, such as bankruptcy, insolvency, or blacklisting. This includes the appointment of a receiver for personal or business matters, agreements with creditors, or any similar proceedings.

c. Bidders must disclose if they have been convicted of, or are the subject of any proceedings relating to:

- Committing a criminal or other serious offence under local law or being found guilty of professional misconduct by a regulatory or professional body.
- Engaging in corruption, such as offering or accepting incentives to secure a contract.
- Not meeting obligations regarding taxes or social security payments in any jurisdiction.

Anti-Corruption Measure:

- Any effort by Bidder(s) to influence the Client in the evaluation and ranking of financial proposals, and recommendation for award of contract, will result in the rejection of the proposal.
- A recommendation for award of Contract shall be rejected if it is determined that the recommended bidder has directly, or through an agent, engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the contract in question. In such cases, the Client shall blacklist the bidder either indefinitely or for a stated period of time, disqualifying it from participating in any related bidding process for the said period.

Language of Proposals:

All proposals and associated correspondence exchanged between the bidder and the Client must be submitted in the **English** language. Any supporting documents or printed materials included with the proposal may be provided in another language, but must be accompanied by a precise English translation of the pertinent sections, certified for accuracy by the bidder. In the event of interpretation, the English translation shall take precedence.

Cost of bidding:

All expenses related to preparing and submitting proposals must be covered by the Bidder. The Client will not assume any responsibility for these costs, no matter how the bidding process unfolds or concludes. Each Bidder may only submit one proposal during the selection process, and alternate bids are prohibited.

Legal Jurisdiction:

All legal disputes are subject to the jurisdiction of the civil court of Bhubaneswar, Odisha only.

Governing Law and Penalty Clause:

The delivery timeline must be strictly followed. Any unjustified delay makes the Consultant liable for liquidated damages, and the Client may cancel remaining activities and finish the assignment with another provider. The Client can deduct penalties from any payments due to the Consultant, but such deductions do not exempt the Consultant from contractual obligations. This contract is governed by the laws of India and Odisha. If deliverables are late, a penalty **@ 1% per week, up to 10% of the total contract value**, will be applied and deducted from subsequent payments, as per the agreed terms.

Confidentiality:

Details about proposal evaluations and recommendations for contract awards must not be shared with bidders or anyone else not officially involved in the process until the contract award is announced. If a consultant improperly uses confidential information related to the process, their proposal may be rejected, and they could face consequences under the Client's antifraud and corruption policy. Unless the Client gives prior written consent, the consultant or their team must not disclose any confidential information acquired during the contract to any person or organization while conducting the assignment.

Amendment of the RFP Document:

At any time before submission of proposals, the Client may amend the RFP by issuing an addendum through its website. Any such addendum will be binding on all the bidders. To give bidders reasonable time in which to take an addendum into account in preparing their proposals, the Client may, at its discretion, extend the deadline for the submission of the proposals. All clarifications and outcomes of each stage of the selection process will be published through the website of the WASSAN. Hence, bidders are advised to refer to the designated website for all updates on the selection process.

Client's right to accept any proposal, and to reject any or all proposal/s

The Client reserves the right to accept or reject any /all proposal and cancel the bidding/selection process at any time before award of contract, without assigning any reason thereof and thereby incurring any liability to the bidders.

Copyright, Patents and Other Proprietary Rights:

Shree Anna Abhiyan, Government of Odisha, owns all intellectual property and proprietary rights including patents, copyrights, and trademarks related to materials prepared or collected during this contract. The Consultant must submit these materials to the Client as required by the contract.

Replacement of Key Personnel:

Key professionals assigned to this contract must be fully resolute. The Client may request replacement if performance is unsatisfactory; the Consultant must submit suitable CVs within seven (7) days and complete the replacement within seven (7) working days after approval. If any key personnel become unavailable or leave mid-contract, the Consultant must notify the Client at least fifteen (15) days in advance, providing reasons and the qualifications of proposed substitutes for approval. Client approval of replacements does not absolve the Consultant from contractual responsibilities. All key professionals should remain available throughout the assignment, and substitutions will only be allowed for reasons beyond control or critical health issues. Such substitutions are limited to one (1) key professional, who must be equally or more qualified and experienced, to the Client's satisfaction.

If substitutions exceed the specified limit, **1%** of the agreed Contract value will be deducted from the Consultant's next invoice. Repeated changes to professional staff during the Contract period may result in termination of the agreement. Any change in Key Professionals at the Client's request is also subject to these conditions.

Force Majeure:

For this clause, "Force Majeure" refers to an event that is beyond the agency's control, does not involve any fault or negligence by the agency, and is not foreseeable. Such events may include, but are not limited to, wars, revolutions, fires, floods, riots, civil commotion, earthquakes, epidemics, other natural disasters, or restrictions imposed by governmental or regulatory authorities that prevent or delay the agency's execution of the order. Should a Force Majeure situation occur, the agency must promptly notify the Client in writing, detailing the nature of the event, its cause, and any necessary changes resulting from the condition. Unless otherwise directed in writing by the Client, the agency shall continue to fulfil its contractual obligations to the extent reasonably possible and seek all reasonable alternative means of performance not affected by the Force Majeure event. The agency must inform the Client in writing of both the commencement and conclusion of such delays within seven days of their occurrence and cessation. If the delay due to Force Majeure exceeds one month, the Client reserves the right to cancel the contract without any obligation to compensate the agency for any reason whatsoever.

Settlement of Dispute:

The Client and the Consultant shall make every effort to resolve amicably, by direct informal negotiation, any disagreement or dispute arising between them under or arising from or in connection with the Contract within thirty (30) days from the commencement of such informal negotiation. All dispute resolution proceedings shall be held at Bhubaneswar, Odisha, and the language of such proceedings and that of all documents and communications between the parties shall be in English. Programme Secretariat, WASSAN, SAA Government of Odisha will be the final authority to resolve any dispute arising between Client and the Consultant.

Disqualification of Proposal:

The proposal is liable to be disqualified in the following cases as listed below:

- Proposal submitted without Bid Processing Fee and EMD as applicable.
- Proposal not submitted in accordance with the procedures and formats as prescribed in the RFP
- During validity of the proposal, or its extended period, if any, the bidder increases his quoted prices or tries to withdraw its proposal
- Proposal is received in incomplete form
- Proposal is received after due date and time for submission of bid
- Proposal is not accompanied by all the requisite documents/ information
- A commercial bid submitted with own assumptions or conditions

Background

The *Shree Anna Abhiyan* (SAA), initiated by the Government of Odisha in collaboration with the Department of Agriculture & Farmers' Empowerment, aims to promote millet cultivation, processing, consumption, and marketing. The programme focuses on enhancing nutritional security, improving farmer income, and supporting sustainable agri-systems through millet-based interventions. The District Administration of Sundargarh in collaboration with the Department of Women & Child Development and Mission Shakti, District Mineral Foundation (DMF) and Shree Anna Abhiyan is implementing the inclusion of Ragi Laddoo as a morning snack for pre-school children (3-6 years) under ICDS. [Watershed Support Services and Activities Network \(WASSAN\)](#) serves as the Programme Secretariat for the program. Ragi Laddoo program has been scaled from a pilot in Sadar Block (August 2020) to across the all Anganwadi kendras of the district. This RFP invites proposals from qualified organizations to undertake a quick impact assessment study of the Ragi Laddoo programme in Sundargarh district, within INR 7.50 Lakhs inclusive of all taxes.

The impact assessment survey is designed to assess the outcomes of distribution of Ragi laddoo in Anganwadi kendras in Sundargarh district of Odisha and the impact assessment will provide empirical evidence for policy decisions and programme strengthening in subsequent phases. (The information required maybe taken from DSWO Office Sundargarh)

Rational of the Study:

The impact assessment study of the Shree Anna Abhiyan (SAA) is undertaken to systematically evaluate the overall effectiveness and sustainability of Ragi laddoo promotion in Sundargarh district. Since its inception, SAA has aimed to revive millet cultivation, enhance nutritional security, and strengthen rural livelihoods through integrated interventions in production, processing, marketing, and consumption.

The rationale for the impact assessment is to measure the extent of change brought about by the programme compared to baseline conducted by NCDS in terms of acceptance, nutritional aspects, behavioural changes, and its management system.

Objectives:

- Measure changes in the prevalence of stunting, wasting, and underweight status.
- Assess the impact on iron and calcium levels, specifically looking for a reduction in Anaemia among children and pregnant/lactating mothers.

- Study the "plate waste" or "refusal rate"—do children like the taste and texture of the ragi laddus?
- Assess the revival of traditional millet consumption among families beyond the Anganwadi Centers (AWCs).
- Evaluate the effectiveness of Information, Education, and Communication (IEC) activities in teaching mothers about the benefits of "nutri-cereals."
- Evaluate the capacity of Women's Self-Help Groups (SHGs) in processing ragi and preparing the "pre-mix" or laddus while maintaining hygiene standards.
- Quantify the additional income and skill development gained by the women in SHGs involved in the production process.
- Assess the long-term viability of using "District Mineral Foundation" (DMF) or state funds to support millet-based nutrition.

Scope of the Study:

The agency should submit proposal aligning to scope of study mentioned below-

Study area: Anganwadi Kendra's, households, WSHGs and Department Stakeholder in the operational blocks under Shree Anna Abhiyan

Respondents:

- Primary: Supervisor of the Anganwadi Kendras (Ragi laddu inclusion and non-inclusion)
- Secondary: Millet growing households, FPOs, SHGs, institutional stakeholders

Sample Size:

Select mothers, Anganwadi Workers (AWWs), and SHG members who are directly involved in the production and consumption cycle.

Sample method: Multistage Stratified Random Sampling, supplemented by Purposive Sampling

Methodology:

- Anthropometric Measurements (Children 3-6 years)
- Structured interview for mother/Guardian
- Focus Group Discussion Anganwadi workers & SHGs
- Observation Schedule at the AWCs (plate waste)

Data Collection Approach

- Field Investigators trained through a 3-5 day orientation on methodology, ethics, and questionnaire administration.
- Regular supervision and real-time data validation.

Data Analysis

- Quantitative analysis for descriptive, comparative, and inferential statistics.
- Qualitative analysis through thematic narrative synthesis from FGDs.
- Comparative assessment against baseline and impact assessment indicators.

Key Indicators

- I. **Nutritional and health indicators** - Anthropometric Shifts, Micronutrient status (reduction in anaemia, bone health), Morbidity Rate (Frequency of common infections or diarrhoea)
- II. **Behavioural and Consumption Indicators (Process)** - Plate Waste / Refusal Rate (the percentage of ragi laddu left uneaten), Attendance of AWCs (an increase in daily attendance of children aged 3-6.), Household Spillover (percentage of parents added ragi based meal), Taste Preference (Qualitative scoring (e.g., Smiley-face charts) where children rate the laddu's taste).
- III. **Operational and Supply Chain Indicators (Output)** - Timely Delivery (Number of days in a month the AWCs received their Ragi "pre-mix" or laddus without stock-outs), Quality Compliance (Adherence to the FSSAI standards and the specific "Nutri-norms" set by the Odisha government), SHG Productivity (total volume of Ragi processed and the income generated by the women-led Self-Help Groups involved), Cost-Effectiveness (comparing the cost per calorie of the Ragi Laddu versus the previous standard snack (e.g., biscuits or Chatua).
- IV. **Socio-Economic and Agricultural Indicators (Impact)** - Local Procurement (Percentage of Ragi sourced from local farmers within the same or neighbouring blocks), Farmer Income (Increase in the Minimum Support Price (MSP) earnings for tribal farmers since the ICDS demand was created), Women's Empowerment (Number of SHG members trained in value-addition and food processing techniques).

Deliverables:

- Inception Report: Detailed methodology, sampling plan, and finalized evaluation framework.
- Logical Framework (LogFrame): A matrix mapping the program inputs (Ragi procurement) to outputs (Laddu distribution) and long-term impacts (reduction in malnutrition).
- Validated Survey Tools: Bilingual (Odia/English) questionnaires for Anganwadi Workers (AWWs), parents, and children.
- Baseline Assessment Report: Data on the initial nutritional status (height, weight, hemoglobin levels) of children before the introduction of Ragi Laddus from AWCs
- Process Monitoring Report: A "real-time" look at the supply chain-from Ragi procurement by FPOs to preparation by Women Self-Help Groups (WSHGs) and final delivery.

- Interim Progress Report: A brief overview of early successes or bottlenecks (e.g., shelf-life issues or child acceptance rates).
- Nutritional Impact Report: Analysis of anthropometric changes (stunting, wasting).
- A 2-4 page summary for high-level officials (e.g., Department of Agriculture or W&CD) with actionable recommendations for scaling.

Note: All reports being submitted to the Client are to be supplied in 10 copies with good quality photography along with a soft copy on a USB drive in print-ready PDF Format.
